This is an Application to become a participant of the Trade Ally Network NW (Network) sponsored by the Bonneville Power Administration. The participation requirements are provided below:

Information provided on this Application is true and correct to the best of Applicant's knowledge at the time such statements were made. Said information will be listed on the Network's website and will be used by BPA to support the sales and installation of energy efficient projects in the region. If BPA grants your application to participate in the Network, you will receive an Application Approval Notice via the contact information you have listed here. As a participant in the Network, you have an ongoing obligation to update BPA of any change to the information that you have provided on this application.

Applicant agrees that BPA, regional utilities, public benefits administrators<sup>1</sup>, and Evergreen Consulting Group, LLC (the "Identified Entities") are not endorsing Applicant or endorsing or warranting any equipment sold or installation completed by Applicant. Under no circumstances shall the Identified Entities be liable to Applicant or any third party for any direct or indirect losses, costs or damages arising from Applicant's participation in the Network or related to any equipment or installation of energy efficient lighting projects, and Applicant specifically indemnifies the Identified Entities therefrom.

Applicant is and agrees to represent itself as an independent contractor or business and at no time will Applicant represent itself as an agent or representative of any of the Identified Entities.

Applicant shall comply with all laws and maintains all appropriate licenses and certifications for the work they are performing and is solely liable for its noncompliance with said laws, licenses, and certifications. Applicant understands that this Network participation agreement may be terminated by the Network trade ally or BPA for any reason, at any time. Termination is effective upon written notice being delivered to the other party at the address listed for such party in this Application.

By signing this Application, I represent that I am authorized to sign this application on behalf of Applicant and that the information provided on this application is true and correct and that I will notify BPA immediately of any changes.
